SUMMERTON, Rod Cord
to me

Dear Neha

Thank you so much to you and your team for hosting such a fabulous zoom call. The whole production from prep through to execution and now the follow up with these lovely acknowledgement cards was truly wonderful and certainly a Round Square highlight for my students involved.

Personally, I visited Varanasi for a week several years ago and I am in no doubt it is the most spiritually deep and mesmerizing place on Earth.

Regards and best wishes

to me, editgo@ranchecarte...

Dear Neha and Aditya

Please pass on a great big thank you and our congratulations from Round Square to your students, who did a fantastic job and represented your school so well. I counted 140 participants at the maximum - a big number - but your students did not seem fazed at all.

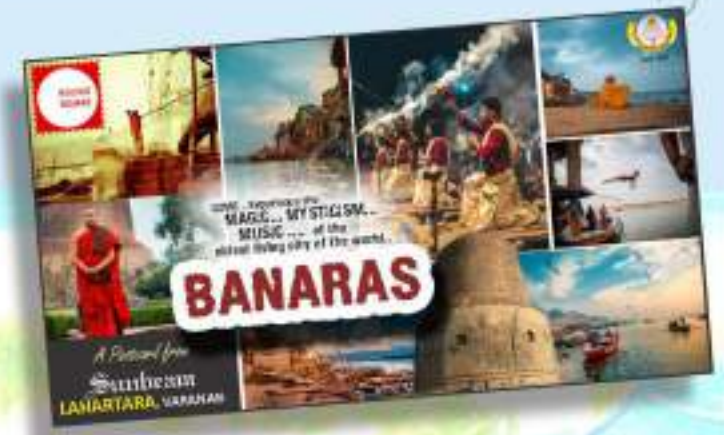

Well done with the preparation - I know how much you have to put in behind the scenes to make it seem so effortless but please be assured it paid off. Thank you once again for hosting.

We took some screenshots and will add them together into one single image with all the faces. I will send you that later today and we will share it via RS weekly.

Best wishes

Global Cartoon Making Contest: World from eyes of speechless friends

OUR STAFF REPORTER
Indore

BEST THREE CARTOONIST

Students from 47 schools of nine countries participated in online Global Cartoon Making Contest presenting 'The World from the eyes of our speechless friends during COVID-19 Period', where speechless friends referred to animals / birds / trees.

In their own way, students showed the life of animals mostly during covid-19. The tagline of Karma striking back was dominant in most submissions.

Out of 47 schools from nine countries - 36 schools were from India, 3 schools from Lebanon, 2 schools from Nepal and one school each Argentina, Egypt, Romania, South Korea, Sri Lanka and Taiwan had participated in the competition.

The competition was organised by Choithram School. Participants were given two weeks' time to send their submissions by July 01, 2020. The entries

Sudiksha Singh Rathore of Sarbansh School, Varanasi

Yashwanil Joshi of Choithram School, Indore

"The world from the eyes of Speechless friends during COVID-19".

MY THOUGHTS MOULDED INTO A POEM

ACCORDING TO ME, WORDS EXPRESS YOUR TRUE FEELINGS FOR WHAT
YOU ACTUALLY FEEL FOR A PERSON.
SO TODAY I DECIDED TO PEN DOWN MY THOUGHTS IN THE FORM OF A
POETRY ... FOR THE TRUE DEDICATION AND HARD WORK OUR TEACHERS
ARE DOING TO SHAPE OUR FUTURE AND GUIDE US TOWARDS OUR
DESTINATION, WITHOUT THINKING OF THE SITUATION ...
EVEN DURING THIS PANDEMIC THEY ARE BUSY TEACHING US VIRTUALLY
WHICH SEEMS NO LESS THAN A CLASSROOM WITH DISCUSSIONS.
HERE IS WHAT I WROTE.

"Every day you greet your students with a smile upon your face,
Though paperwork a night before seemed like a grueling race.
Money's not your motivation; it's the love for what you do.
You hear the special calling to which you always will stay true.
Your students are your dedication; your devotion is to them,
Even during this pandemic, you did care for them like a beautiful little gem.
Some days are just demanding and frustration takes its course,
Then you see those little faces, their inspiration is your force.
Each day you are in virtual classes, reminds you why you are there,
Making differences in children's life is all what you care."
Appreciation is always shared between those little lives and you.

Thank you teachers once again for spending
your valuable time and sharing your knowledge
and feeding it into our young minds in every situation.
Your effort of virtual classes is amazing and
we as students highly appreciate this idea.

Dear Teachers,
We know that the struggle is real..
But please know that
Everytime we see you on the screen
for the Virtual Classes,
We Respect you a little more..

PARENT'S FEEDBACK

It was wonderful seeing little kids performing so well at this age. Thanks Sunbeam Lahatara team for making kids prepare so well and helping them to groom so wonderfully so that they shine in every field and giving every kid such a platform to perform. All the kids nailed their performance in each character whichever they were asked to enact. Kudos to them and to their teachers who work so hard with them to make even virtual celebration so lively and entertaining 🍌🍌

PARENT'S FEEDBACK

Dussehra celebration was above my expectations. During the time of pandemic things went very organised and well planned. I really appreciate efforts given by the teachers and also by the students. This celebration also gave a chance to students to learn a lot.

PARENT'S FEEDBACK

The pandemic, have taught us and pulled us into a totally different world. A Virtual world it's not easy to adopt such a big change, specially when it comes to teaching small children online.

Brilliant! Well done to all of the children and most of all the teachers for having so much patience with all the children 🍌

It was wonderful to watch all of the children perform with such confidence and to use sign language too.

Performances were really good. Very clear speaking too!

All in all, Superb 🍌🍌

PARENT'S FEEDBACK

Celebration was very nice 🍌, children also learned a lot from this celebration and at such a young age, children can perform so well. They were so so confident and the hidden talent inside them came out very well. Means such young children speaking so well, performing so well is a very big thing. Very well done 🍌. Thanks to the Sunbeam team for making it happen. You guys got children prepared with this amazing theme where children get to learn a lot while performing. Many thanks to the principal and teachers of Sunbeam where they are very helpful with children by which children are able to learn things very well while in the comfort zone 🍌🍌

12:54 pm

I think I have written feedback letter 🍌 but I sketched what I felt, thank you 🍌

PARENT'S FEEDBACK

It was great to see all the kids performance so well and with lot of confidence. The tiny tots enjoyed the activity of making things related to ramayan, they enjoyed Ramayan songs during class. Children were given knowledge about Lord Rama's victory over Ravana and to reinforce the message that good always triumphs over evil. Kids learned more about Indian mythology and were sensitised about our culture and tradition. A big Thank you to the mentors (preeti Ma'am & Manita Ma'am) for believing in Urvi and helping her believe in her own abilities. Very happy with the level of progress by Urvi. Would love to see more this kind of virtual activity 🍌🍌

- Ms. Naina Kashari mother of Urvi Kashari (KG 3-C)

PARENT'S FEEDBACK

Superb mam. I really appreciate the job of Sunbeam family and thankful to teacher's of sunbeam for providing a platform to my child.

A very good morning and Jaihind to all. I had this awesome opportunity to judge a wonderful online storytelling competition called Story Wala, yesterday, for which I would want to thank Shompa Ma'am and Sunbeam School, Lahatara, Varanasi. Sunbeam Lahatara as we all know is the Number 1 school in Varanasi but what few may know is that it also recently got ranked as the 35th best school in India, by The Education World. My heartiest Congratulations to Team Sunbeam on that! Coming back to our storytelling event, when Shompa called me inviting me as a judge, I jumped at it for two big reasons. One - I can never say to Shompa and Sunbeam for anything. Both are very special to me. Two - I would go anywhere in the world to listen to a good story, and here I was getting the opportunity to hear out not one, but 18 original stories by students of grades 3, 4 and 5, sitting at home - all thanks to the virtual learning platform. The theme for the stories was Teaching of Academic Concepts through Stories - trust Sunbeam to come up with such wonderful concepts! I not only enjoyed listening to every story but also learned concepts of - articles tenses, safety and first-aid, decimals, life cycle of butterfly, rainbow, among many others. I must say that each story was original and the concept chosen by every student was very well expressed through his/her story with use of wonderful visual aids by some and by excellent narrative by others. I observed a high level of confidence in each child. They had a very clear understanding of the concepts they had selected. That kind of confidence comes from sincere and relentless effort by teachers and students, and in this new normal of virtual learning, even parents play an equally important role. For me it was doubled joy, as I got an opportunity to interact with the amazing students as well as Deepak Madhok Sir and Bharti Ma'am, and Principal Ma'am of Lahatara. I thank team Sunbeam for organising this event under the Impetus 2020 and inviting me to be part of it. Also my takeaway learning from one of the stories, of sharing through fractions, will come in handy when cut my birthday cake tomorrow!!
