- 1. Stainless Steel Rulers are **not allowed** in school. Only Plastic Rulers are to be used.
- 2. We discourage covering notebooks to **save paper**. If needed, all notebooks should be covered only with used paper as we are an eco-conscious school and realize the importance of recycling. Plastic covers are strictly prohibited.
- 3. The text books should be covered only with used paper or bound so that they don't tear during the session.
- 4. All text books and notebooks should be properly labelled with name, class and section.
- 5. All notebooks should be of big size. Small notebooks will not be accepted in school for correction.
- 6. Parents are requested to buy the books at the earliest before the stock is sold.
- 7. Reference books mentioned (if any) are **optional** to buy.
- 8. Since we believe that the child should carry a few books to school so as to avoid burden on the young shoulders, please see that the child brings books according to the time table.
